Dear Mr. Hintermayer,

We would like to thank you for your excellent service during our purchase of a DA40 through your company.

The DA40 was our second aircraft to our own fleet and we would not have been able to make such a smooth and efficient transition without your professional and first class service to assist us with everything from documentation, transfer and even ferry of the aircraft to our facilities in Norway.

With our own limited experience in aircraft purchasing, we felt confinable in your consistent and step-by-step assistance during the sale and transition and we are grateful for you shearing your expertise with us.

Knowing that you are willing to show this dedication and professionalism, we look forward to future business with you and would not hesitate to recommend your business to others.

Sincerely,

Thor Alvik, CEO
