We were in contact with Mr. Hintermayr in 2012 when purchasing a used Cessna 172SP from him. Mr. Hintermayr proved to have knowledgeable insight and experience in aircraft sales. Despite being busy and always on the move, he kept in touch at all times and our communication was prompt and effective. If any issues emerged, they were solved, as we believe, to both parties' satisfaction. We would have no hesitation in entering into business with Mr. Hintermayr again.
