#### TO WHOM IT MAY CONCERN

The 7 Group, fully owned by the Austrian Andreas Siebenhofer, is a full service provider of aviation services for the Ministry of the Interior of the Kurdistan Regional Government in Northern Iraq. As this, we educate pilots, service and maintenance personell as well as ground staff for the establishment of arial surveillance and MEDEVAC service in this region. Additionally we are responsible for the procurement, operation and maintenance of gyroplanes as well as helicopters for the government.

Since Spring 2016 we have been owning and operating a Cessna Caravan EX.

Since – as mentioned above – our field of operation is in Kurdistan, Northern Iraq, and we had to do some severe and challenging technical modifications to the Cessna in Germany and Switzerland, we were searching for a trustworthy and reliable contractor who can handle all the necessary processes autonomously. We have to stress out that we are very happy with the result of our search which brought us in contact with Mr. Hintermayr.

We contracted with Mr. Hintermayr to conduct several transfer flights within Europe and finally to perform the ferry flight form Zürich to Sulaymaniyah, Kurdistan, Iraq as well as for all necessary paper works and customs proceedings.

During these processes we had the opportunity to get a great awareness of Mr. Hintermayr and his exceptional professional attitude. His knowledge in transfer and customs handing, his experience as pilot and his personal commitment as well as his flexibility and ability to solve problems is outstanding. Additionally, he is a very trustworthy and loyal person and we are very happy to have contracted with him.

On our side, Mr. Hintermayr is our first choice for these kind of services in the future and we therefore will contract with him again. We can highly recommend him and can assure everybody who will contract with him the highest level of professional satisfaction and outstanding results.

We wish Mr. Hintermayr the very best for his future and remain

with sincerest salutations

Andreas Siebenhofer  
CEO and Owner of The 7 Group
