Subject: Recommendation to purchase aircraft from Aircraft and More

Dear Gerry,

I would like to thank you for your effort finding a right buyer to purchase one of our DA42-VI. The support to perform aircraft inspection and test flight is perfect to have buyer making decision shortly.

While the negotiation, the buyer was fully convinced by your professional experience and suggestion. That made me impressive and I felt lucky to have contracted Aircraft and More to be our remarketing agent.

This letter is to serve as a formal recommendation to the individual who have interest to purchase used aircraft from Aircraft and More.

It was my pleasure to work with you and Aircraft and More. I have no hesitation to enter business with you and Aircraft and More again.

Yours Sincerely,

Phillip Yeh
