Dear Aircraft and More,
Dear Mr. Hintermayr

We would like to say thank you for the trusting cooperation.

Following a recommendation from a partner of ours we performed the ferry flight of our Cessna 182T from the States to Germany with Gerald Hintermayr.

Since the ferry flight was carried out in less time and to our complete satisfaction, we decided to perform the sale of the aircraft also by Gerald Hintermayr.

Aircraft and More provided an optimal support throughout the whole transaction and the aircraft was sold within a week. They were absolutely cooperative, honest in all matters, any time reachable and always on schedule.

Kind regards

Asdavut M.
