Dear Mr. Hintermeyer,

Importing the third aircraft with you as a sales partner was very efficient and professional. Aircraft demonstration as well as presentation of all paperwork and final delivery was without any problems.

First two aircraft were Garmin 1000 Cessnas T182T, the last one was Diamond aircraft D42NG. All planes were in an excellent shape, priced fair and all were delivered in time to the ramp of new owners.

Looking forward to our next cooperation

Kind regards
